SUMMER CAMP NEWS

We are continuing forward planning for summer camp. Payments are due by May 15th. You will receive specific balances for your scout(s) from the Outdoor Chair and/or the Treasurer before that date. Please respond to them so we can pay council for our spaces!

Pack Activities

We're disappointed we can't be meeting up for weekly den and monthly pack meetings. Our committee will be meeting soon to discuss the possibility of any summer activities.

Advancement and Crossover

We are continuing to brainstorm about what we can do to honor all of our hard working scouts!

Please be sure to track any advancements your scouts do in Scoutbook. So far we've had EIGHT scouts earn rank while on quarantine!

Meetings are cancelled, now what?

All dens have the ability to meet on Zoom! Contact Bernie at berniecase@gmail.com to schedule a time for your den to meet. Our Tiger Den has been meeting weekly since the lockdown started, and have even earned a few belt loops doing so!

Continuing Advancements

Unsure about what your Scout needs to do to in order to advance to the next rank? Log into Scoutbook to find out! Many belt loops can be completed at home!

Need help figuring out how to track advancements? Please email our Advancement Chair, Erin at EksRN2002@gmail.com for a tutorial!

Need some guidance on how to incorporate scouting while on quarantine?

Look no further! In this and upcoming newsletters, we'll be including information on how to add a little bit of Cub Scouting in your day to day!

Check out the [Boy's Life YouTube Channel](#) for the 30 Day Challenge to include Scouting while in quarantine. There are even two separate playlists based on the age of your Scout! These videos are typically five minutes or less and include topics like:
